# SAHEART

13th ANNUAL CONGRESS OF THE SOUTH AFRICAN HEART ASSOCIATION

## STRUCTURAL HEART DISEASE 2012

**19 - 22 July 2012**  
**Sun City**  
**South Africa**

### Sun City

Sun City, unique in the context of world resorts, with a combination of features unmatched anywhere, draws thousands of visitors each year to its four top-quality hotels, a Vacation Club plus magnificent sporting and recreational facilities including 2 world class golf courses, and the magical Lost City water-park, The Valley of Waves. Only 187 km from Johannesburg, the resort, situated in the bushveld of South Africa's North West province, is surrounded by the imposing mountains of the Pilanesberg. The wide choice of conference venues ensure a level of convention and banqueting facilities which few can beat. The malaria-free Pilanesberg National Game Park is home to South Africa's Big 5 – Elephant, Rhino, Lion, Leopard and Buffalo.

**The SA Heart Congress 2012 will cover the following themes:**

- Clinical Science
    - Imaging
  - Cardiomyopathy
    - Interventions
- And many more!!!**
